Press Release

Pakistani Student of Nottingham University Took First Position in Master Degree in Finance and Investment

Miss Kiren Nadeem, daughter of Dr. Nadeem Inayat, a Pakistan student of Nottingham University, Kuala Lumpur, Malaysia passed her MA, in Finance and Investment degree course with flying colors.

She secured 71.3% accumulated marks in first and final semester and emerged first amongst 65 students belonging from countries such as Malaysia, Russia Uzbekistan, China, India and Africa.

The exams were held in May, 2009 and result was announced on 10th of July, 2009.

Miss Kiren was admitted to the Nottingham University in September, 2008 and since then she had maintained her top position in her course.

She is a graduate in Accounting and Finance (2006-2008) from London School of Economics(LSE), there too, she maintained her position amongst the best students and secured first class honor's degree in Accounting and Finance.

Earlier, she had been a top student of Roots College international, Rawalpindi, Pakistan, wherefrom she earned Bachelor of Science (BSC honours) Degree in first class.

During her stay in Malaysia, She has been taking keen interest in sports like Cricket, Baseball and Squash.

While commenting on her selecting Malaysia for her Masters, she said that she chose Malaysia because of its friendly people, its suitable climate, rich social and cultural values, higher education standard and financially competitive fees structure..

She said, after being successful in Masters, she will pursue her Phd, degree in Economic most preferable from Malaysia, and after completing her education she would like to pursue a career as economic analyst.

She has been to Penang, Malaka and Langkawi and other places in Malaysia, but liked Langkawi the most, due to its extraordinary scenic value, tourist friendly environment and beautiful beaches.

Kuala Lumpur, Malaysia 16th July, 2009
